

Poem of You

What am I?

I am me and you are you

I am me and you are other

You are you and you are other

You are you and you are me

I am me and I am other

I am me and I am you

There is me and there is other

There is me and there is the universe

You are you and you are other

You are you and you are the universe

I am me and I am the universe

I exist for you

You are my universe
